Memorandum

Date: October 6, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Terminating and Releasing an Easement created by Resolution No. R-1051-07 no longer needed by Miami-Dade County located Between NE 213 Street and NE 212 Terrace and Between NE 26 Avenue and West Dixie Highway, in Section 34, Township 51 South, Range 42 East, Miami-Dade County, Florida

RECOMMENDATION

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the execution of a release of the easement created by Resolution No. R-1051-07, which is no longer needed by Miami-Dade County. The subject easement is located between NE 213 Street and NE 212 Terrace and between NE 26 Avenue and West Dixie Highway in Section 34 Township 51 South, Range 42 East, Miami-Dade County, Florida, as described in Exhibit A and illustrated in Exhibit B attached and made a part hereof.

Scope

This easement is located within Commissioner Sally A. Heyman's District 4.

Fiscal Impact/Funding Source

There is no fiscal impact associated with this resolution and does not require the expenditure of County funds.

Track Record/Monitor

Public Works and Waste Management Department is the entity overseeing this project and the person responsible for monitoring is Mr. Leandro Oña, P.E., Chief, Roadway Engineering and Right-of-Way Division.

BACKGROUND

The subject easement was created by Resolution No. R-1051-07, which closed an alley at this location. At that time, as a condition for approval, the County's Water and Sewer Department (WSD) requested that an easement be granted by the petitioner with the same footprint as the alley being closed (see Exhibit C). As part of the present owner's development of the property adjacent to the alley, the WSD has stated that the easement is no longer needed by the County (see Exhibit D). Florida Power and Light (FPL) has removed power lines that were within the easement and a new underground easement has been granted to FPL for that service. Additionally, there are no other utilities using the subject easement. The execution of the Release of Easement will enable the landowner to clear all title issues.

Deputy Mayor
